Black Friday Apple Deals: Get the Apple Watch SE 3 for \$200

Get ready for Black Friday, as Apple has already started offering discounts on some of its most popular devices. One of the standout deals is the Apple Watch SE 3, which can now be picked up for just \$200.

The Apple Watch SE 3 is considered one of the best budget Apple Watches and a great option for those who are new to smartwatches. It features the same chipset as the latest flagship models and offers most of the same fitness and workout tracking features, including an always-on display and fast-charging support.

Key Features of the Apple Watch SE 3

- Always-on display for easy glance checks
- Fast-charging support for seamless sleep tracking
- Same chipset as flagship models for optimal performance
- Most of the same fitness and workout tracking features as more expensive devices

Other Black Friday Apple Deals to Watch Out For

In addition to the Apple Watch SE 3, there's also a discount on the high-end Apple Watch Ultra 3. This sale model comes with 64GB of storage, a 49mm screen, and GPS and cellular service, all for \$100 off.

The Apple Watch Ultra 3 is one of the first smartwatches to support satellite communications, allowing you to call, send messages, or share your location with emergency services even without a connection. It also features a larger screen thanks to thinner bezels and a battery that can last up to 42 hours.

Black Friday Apple Watch Ultra 3 Deal Details

- 64GB of storage
- 49mm screen
- GPS and cellular service
- Black titanium case with Black Ocean band or natural titanium Case with Anchor Blue Ocean band options
- \$100 off the regular price
